

# UCD Sweet Celebrations!

Your daughter or son is starting a new and exciting chapter in their life. Although you may not always be with them during this special time, we know you care. Therefore, why not show them with a special “sweet” delivery of their preferred cupcakes, cookies or “munchie” candies?!?! If handcrafted, made-on-site ice cream treats are a good fit and/or you want to extend the giving beyond the initial “sweets”, gift cards are a part of each package for their future use at our downtown (113 E Street) shop. (Feel free to add more to the card if you would like!)

All packages include tax, delivery fee, and a card with your special message to them! For a no hassle option, we offer special discounts when pre-ordering three (3) or more. Please know we would be honored to be a part of you showing your love & support for them!
